DAVID SHAMANIK - SHAPE OF THE EARTH | (415) 846 - 7581 |

david@shapeoftheearth.com

WORK AREA: San Francisco / East Bay / Marin

WEBSITE: <http://www.shapeoftheearth.com>

BIO: Shape of the Earth Landscape owner David Shamanik has been working with gardens in the Bay Area since 1999. He began his career as a pruner and tree specialist, and trees remain a favorite part of his work with plants.

Besides having a base of regular maintenance gardens, Shape of the Earth also completes several large-scale projects annually. The work often includes irrigation, lighting, stone work/hardscaping, and water features along with design and plant selection.

We can accommodate a range of project sizes and we enjoy whatever challenge comes up. Though most of the work is done by David personally, we also have other talented people on the team. We pay strong attention to detail and pride ourselves on providing the very best customer service.
