

How to Get Organized

Check Smoke & Carbon Monoxide Detectors

Smoke and carbon monoxide detector maintenance is a yearly task that shouldn't be missed. Detectors are on sale now if you need a new one. Doing so increases your at-home confidence right away!

Smoke SKU 5977376 | Carbon Monoxide SKU 5975578

Replace Household Filters

Replacing all filters throughout your home is the best way to instantly improve air and water quality. With the variety of filters used around your home, you'll be surprised at how many need to regularly be replaced!

25 x 25 x 1 SKU 4161683 | H2O SKU 4003540 | Filter SKU 6091284

Upgrade Storage Bins

Prepare for the next holiday season and store decorative and seasonal items in bins. Available in 15- or 27-gal, these storage bins are stackable and perfectly sized to fit in garages and closets alike.

27 gal SKU 6502629 | 15 gal SKU 6813174

Enjoy Smarter Lighting

You don't have to stay in the dark! Customize your home's lighting to suit your lifestyle. Smart Wi-Fi bulbs are compatible with your favorite smart device. Connect the bulbs to your home Wi-Fi and control them from anywhere.

Daylight Bulbs SKU 3004001 | Soft White Bulbs SKU 3004002

Why January?

The holidays can leave us feeling fulfilled, but also ready for a fresh start. Rogue pine needles, unorganized items, and missed deep cleanings can add up throughout the month. Lifestyle and storage necessities may have changed with the end of the year, making January the perfect time to upgrade!
