info@sfrepairs.com

WORK AREA: San Francisco / North Peninsula / East Bay

WEBSITE: www.allstateappliancerepair.com

BIO: We have been helping the San Francisco area with high quality and timely appliance repairs since 1980, and we'd love to help you too. As a local appliance repair company, we take pride in delivering exceptional results. We actively listen to our customers' needs and then find a solution that works for them.

Our team is also thoroughly trained and vetted, guaranteeing a pleasant experience for each of our customers. No matter what service you require, we pride ourselves on being both reliable and dependable in every aspect of our job, from diagnosing the problem to providing a viable solution.

Victoria and Igor are the owners of All State Appliance Repair. Their combination of great management and excellent technical skills makes them uniquely qualified for running San Francisco's best appliance repair business. They have strong ties to the people in their community and provide personalized service for each and every one of their customers.
